PROFESSIONAL SUMMARY

Highly motivated Cybersecurity student at Walsh University with a 3.7 GPA, consistent Dean's List recognition, and membership in Sigma Zeta Honors Society. Hands-on experience in Linux systems, networking, Wireshark traffic analysis, GNS3 labs, SQL databases, Raspberry Pi environments, and web application development. Passionate about cybersecurity operations, network security, incident response, ethical hacking, and security intelligence with strong analytical and technical problem-solving skills.

TECHNICAL SKILLS

Cybersecurity & Networking: Wireshark, GNS3, Incident Response, Ethical Hacking, Intrusion Detection, Network Security, TCP/IP, Router & Switch Configuration, Digital Forensics

Systems & Tools: Kali Linux, Linux, Raspberry Pi, SQL Workbench, GitHub, Microsoft Office Suite

Programming & Databases: Python, SQL, Database Querying, Web Publishing, PHP

Soft Skills: Problem Solving, Technical Documentation, Communication, Team Collaboration

TECHNICAL PROJECTS

Cybersecurity Home Lab — Built and documented a hands-on cybersecurity home lab using Linux, Kali Linux, Raspberry Pi, GNS3, and Wireshark. Performed packet analysis, networking exercises, Linux command-line practice, and cybersecurity lab documentation through GitHub.

Network Traffic Analysis — Analyzed packet captures and network traffic using Wireshark to examine TCP/IP communication, DNS traffic, HTTP/HTTPS protocols, and network troubleshooting scenarios.

RAREST FASHION Web Application — Developed a responsive e-commerce web application using PHP and web technologies. Built dynamic pages including shopping cart, checkout system, and backend functionality while managing project version control through GitHub.

EDUCATION

Walsh University — Postgraduate Degree in Cybersecurity & Graduate Certificate in Data Analytics
Expected Graduation: December 2026 | GPA: 3.7 | Dean's List | Sigma Zeta Honors Society

University of Professional Studies

Bachelor's Degree in Business Administration and Management

CERTIFICATIONS

Foundations of Cybersecurity | Play It Safe: Manage Security Risks | Cybersecurity Compliance, Frameworks, Standards & Regulations | Object-Oriented Programming in Python | Lean Six Sigma Green Belt Certification – Level II
